

Did you know that you can login to all of your buy.at and Affiliate Window accounts using just one Darwin username and password?

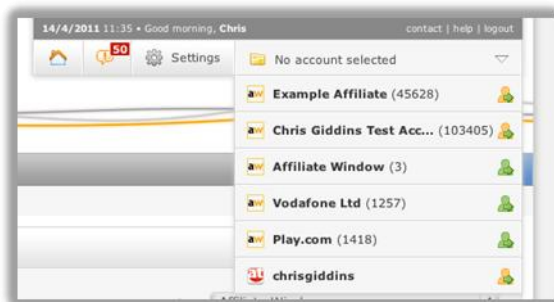

## Here's how:

1. Create a Darwin account
2. Log in to Darwin
3. Click "Link or Manage Accounts"
4. Enter the credentials for each of the accounts you log in to

Log in or sign up here:

Did you know that you can switch between all your buy.at and Affiliate Window accounts easily using the account switcher?

## Here's how:

1. Find the account switcher at the top right corner of every page in Darwin
2. Hover your cursor over the folder icon
3. Select the account you want to access

Log in or sign up here:

<http://darwin.affiliatewindow.com>

Did you know that you can log in to Darwin to access all your accounts at [www.affiliatewindow.com](http://www.affiliatewindow.com) using the log in form?

## Here's how:

1. Go to [www.affiliatewindow.com](http://www.affiliatewindow.com)
2. Enter your Darwin email address and password.

***You now no longer need to use your old log in credentials to log in to the AW interface. It's worth noting that for the time being you may still need your old buy.at credentials to amend settings or details in the buy.at Management Area.***
