Don't just take our word for it!

'This was my second year attending and as well as picking up some fantastic information, meeting new contacts and exploring new opportunities, I find this event really focuses the mind for the build-up to the festive season. I made plenty of notes; saw some great products - my personal favourites being the radio controlled shark at one end of the technology spectrum and the lego mini-figures at the other.'

- **Gavin Jones, Owner, Gifts and Lists**

'I thoroughly enjoyed Unwrapped 2011, it was a great day and I feel, for me, it was a huge success. New contacts, faces matched to names and I managed to catch a few people who I'd been trying to get in touch with for a while. Thank you!'

- **Emma Hook, Online Marketing Executive, The Entertainer**
